Mr Shiva Kumar Shrestha

MCE

Nepal College of Information Technology

Balkumari, Lalitpur

Subject: MCE Thesis

Dear Mr Shrestha

It is my pleasure to inform you that your thesis proposal entitled "Photographic Text to Image Synthesis via Multi turn Dialogue Using Attentional GAN " has been accepted by the research committee of NCIT. Prof Dr Shashidhar Ram Joshi been assigned as your supervisor. You must make your thesis final and mid-term presentations (in formal attire) at the college and must submit final thesis (unbound) as per the notice of the college and within your student tenure at NCIT.

It will be your duty to be informed about the presentation dates and to manage your presentations accordingly. There will be no other intermediate presentations between the fixed dates.

Thank you

To,

Prof Dr Shashidhar Ram Joshi

NCIT

Subject: MCE Thesis Supervision

Dear Sir,

On behalf of the Research Committee of Nepal College of Information Technology, I wish to thank you for accepting to work as the supervisor of **Mr Shiva Kumar Shrestha** for his thesis entitled "Photographic Text to Image Synthesis via Multi turn Dialogue Using Attentional GAN". All these students have been given guidelines for Thesis Writing and Research Methodology in a special workshop before the start of their final semester hence they are aware of the thesis format. However, we would appreciate, if you ask the student to read few research methodology text books to enhance their understanding . I have to request you to ensure that the writing confirms to the approved format and they write a one page **Executive Summary** of their work which is to be included after the Table of Contents in the thesis.
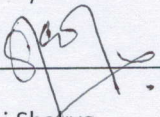

The student will submit their final thesis in a loose file and after its approval ; the thesis will have to be resubmitted in a bound form incorporating corrections, if any , within one week after the viva-voce examination

The credit assigned to thesis work is nine and the Pokhara University allows a token honorarium of Rs. 10,000/- (taxable as per the Nepal Government rule) to the supervisor (which will be shared between supervisors upon joint supervision).

Please advise your student to make thesis proposal presentation and mid- term presentation which are compulsory. As a regular student they are required to submit their final draft of the thesis to the committee as per the published schedule

In case, you need more clarification, you can contact the undersigned on all working days in office or at residence on the following numbers.

Thank you

Saroj Shakya

Thesis Proposal

**Name of Research Candidate:** Shiva Kumar Shrestha   **Roll No:** 15957

Thesis Title: Photographic Text to Image Synthesis via Multi turn Dialogue Using Attentround GAN

Comments from the Expert Panel:

- The topic is ACCEPTED
- Modifications of document required
- Mention the research challenges
- Incorporate the feedback given during the presentation

The research candidate is informed to incorporate the above mentioned comments to the satisfaction of the research committee within two weeks from the receipt date of this letter.
